NOTICE OF PUBLIC MEETING

The Scientific Review Panel on Toxic Air Contaminants (SRP), established pursuant to Health and Safety Code Section 39670, will hold a public meeting at the time and place set forth below.

DATE: Thursday, March 19, 1992

TIME: 9:30 a.m.

PLACE: Arnold and Mabel Beckman Center
National Academy of Science Building
Lecture Room
100 Academy Drive
Irvine, California

AGENDA

1. SRP Consideration of the Air Resources Board (ARB)/Office of Environmental Health Hazard Assessment (OEHHA) Report Regarding the Identification of 1,3-Butadiene as a Toxic Air Contaminant
2. Discussion of Outcomes from the February 4, 1992 ARB/OEHHA Workshop on Perchloroethylene Risk Values
3. Discussion of Future Meeting Dates

INFORMATION

The SRP is charged with reviewing for scientific adequacy the risk assessment reports prepared by the ARB, OEHHA, and Department of Food and Agriculture. These reports are prepared for the purpose of determining whether a substance or pesticide should be identified as a toxic air contaminant. For your information, the SRP does not accept written or oral comments from the public at its meetings. However, written comments or submissions from the public regarding a report submitted to the SRP for review which are received pursuant to the requirements specified in the report notice are considered by the SRP. Information regarding submission of comments or other information is provided when the report is released for public review. For further information on the meeting or to obtain the ARB report, please contact:
